DETAILED ACTION

Allowable Subject Matter

1. Claims 1-4, 6, and 11-15 are allowed.
2. The following is an examiner's statement of reasons for allowance: The claims have been amended to overcome all of the rejections of the Final Rejection (8/02/05). Furthermore the prior art of record does not disclose the invention as claimed: A pipette comprising: a housing defining a suction chamber; a piston configured to move in said suction chamber', a first retainer mechanism having a first threading and a first corresponding threading, the first threading being configured to limit a motion of the piston in the suction chamber by cooperating with the first corresponding threading; a second retainer mechanism having a fine adjustment sleeve having a groove and a pin received within the groove, the groove being configured to limit the motion of the piston in the suction chamber by cooperating with the pin, the groove having a pitch less than a pitch of the first threading; a further threading; and a nut configured to calibrate a movement of the piston in the housing by cooperating with the further threading.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian R. Gordon whose telephone number is 571-272-1258. The examiner can normally be reached on M-F, with 2nd and 4th F off.
